Notes (these notes are just a brief reminder of some of the main questions which occur, for the full rules for any competition see the members handbook.)

1 New images only

2 Can be used in any format in future competitions. Does NOT count towards the maximum of 3 entries rule

3 Images can either be entered in DPI competitions or print competitions, but not both

4 Images can be entered a maximum of 3 times in competitions (some exceptions)

Images which achieve a place in a heat, go straight through to the finals and cannot be entered in subsequent heats.

6 Maximum size for the small prints competition is A5
